

DESMOS

NON PROFIT FOUNDATION

Inspiring Giving

INTERESTED IN CHARITABLE GIVING? WE ARE YOUR TRUSTED PARTNER

We work closely with over 800 charitable organizations across Greece, to document their needs and distribute resources where they are mostly needed. We support all types of organizations, helping any vulnerable group, anywhere in Greece. So they can focus on what they do best: help those in need.

OUR VALUE CHAIN

Research and monitoring means we always know what's going on.

We document the needs of charitable organizations, evaluate priorities, and provide unique insight about Greece's biggest challenges.

Tailor - made services means fitting your needs.

We design targeted programs to create projects for your special interests: health, social welfare, education, unemployment, emergency relief and much more.

Project management means we take care of it.

We handle communications, logistics, reporting and impact assessment so you don't have to.

Transparency means we eliminate malpractice.

We are committed to keeping our operation lean for maximum impact. You are invited to participate in every step of the giving process, from start to finish.

Assessment means we think and talk in numbers.

We measure the impact of your giving and offer a data-driven assessment. We want you to feel as sure as we do with the results of our collaboration.

Synergies means the sum is larger than its parts.

We bring together donors and stakeholders from Greece and abroad for creative solutions and sustainable positive results.

Passion means we care about what we do.

We love to help charitable organizations provide goods and services for those in need. We are inspired by what we do, we know you will be too.

THE PROBLEM WE ARE SOLVING

Did you know that...	Since 2012, projects through Desmos have...
1 in 2 children living in underprivileged areas across Greece are facing food insecurity?	Covered essential nutritional needs for over 11,000 people.
Greek youth unemployment is the highest in Europe at nearly 50%	Sponsored 26 new positions at charitable organizations for unemployed youths up to 30 years old.
Greece ranks last worldwide in citizen volunteering?	Empowered 38,500 Greek students to "Care & Act" about social and humanitarian issues that affect them.
Public spending in healthcare dropped by 40% between 2011 and 2015?	Generated €580,000 in economic value in support of public and charitable healthcare services in Greece.

AREAS OF FOCUS

Social Welfare

Over 11,000 people have seen their basic needs covered and cared for thanks to Desmos
€3.5 million is the economic output of our work in social welfare.

Building a Better Future

88% of schools participating in Desmos' programs state that their needs wouldn't have been covered without our help.
Over 123,000 people have benefited through 3 Desmos programs that focused on long-term change and well-being.

Healthcare

78% of the needs in medication provided by social pharmacies to people in need are covered thanks to donations of individuals.
Donations through Desmos have created **€150,000 in public savings.**

Emergency Response and Recovery

Over €150,000 provided directly through in-kind donations and infrastructure works to support the most vulnerable refugees across Greece.
700 families in Mandra, Western Attica, were supported through our coordinated efforts with individuals and corporate partners.

OUR OPERATION IS LEAN, TRANSPARENT AND RESULTS ORIENTED

LET'S TALK NUMBERS.*

800 charitable organizations across Greece receive ongoing support through Desmos.

For every €1 donated to Desmos, €9 are generated for Greece.

Since 2012, our daily operations, projects and programs have generated €7,071,000 in economic value.

Our programs and activities have provided full time support for 136,098 people.
